Subject: SHC Update for NERL 3-1-19
Attachments: StRAP Planning Information.pptx; SHC Final StRAP- Feb 27 2019.docx; SHC_RA_Intro_022819.pptx; SHC's Weekly
 Report for Feb 27, 2019 ; SHC's Weekly Report for Feb 20, 2019 ; The NIEHS Exposure Science and the Exposome
 Webinar Series - March 19, 2019

Hello NERL,

I decided to widen my distribution list from those currently involved in SHC research to all NERL Feds as we
 move forward into StRAP planning. There is a lot happening, and I want to make sure everyone is engaged if
 they would like to be. For those of you who don't usually get these emails from me, I typically try to send out
 updates every couple of weeks to keep you up to date with information related to SHC. If you're not interested,
 simply disregard!

What's New in SHC:

- FY19 Products:

- Please continue to let me know if there are any anticipated issues related to your FY19 products, and many thanks to those who already have! There will be an updated product delivery template that will be coming out soon. I will share it as soon as I get it; I have made the request that the updated product templates be given at the start of the fiscal year since many of you deliver products in the 1st, 2nd and 3rd quarters, so hopefully next fiscal year we will get the FY20 template at the beginning of the fiscal year.
- **FY19 Budget:**
 - If you are in need of resources, please talk to your line management and let me know as well. As you know, we have a budget, but we haven't yet heard how that will affect ORD. I anticipate that we should find out later this month, and may even see the resources in April, so begin to think now about your plans for spending once the resources are distributed to NERL.
- **StRAP 3:**
 - The SHC StRAP has been approved and cleared by the ORD IOAA. Attached is the final version that will undergo BOSC review. If you are interested in SHC research, please be sure to read the sections of the StRAP related to the research areas and their associated outputs.
 - Speaking of BOSC, the SHC BOSC review of the new StRAP will be April 2nd-3rd in RTP, NC. Stay tuned for more information as the agenda is developed. For those in RTP, mark your calendars if you are interested in attending any of the meeting.
 - Implementation planning:
 - Tim Watkins gave a great overview of the status of planning a couple of weeks ago at the NERL All-Hands meeting. Attached is a slide deck (entitled "StRAP Planning Information") that has pulled from the relevant information that Tim shared related to planning; in addition, I've added the most recent version of the planning timeline for your reference. Please note that this timeline is subject to change.
 - Yesterday the SHC MIs held an informational kick-off meeting for those in ORD interested in contributing to SHC. At this meeting, we presented an overview of the SHC StRAP, and discussion of next steps/timeline. The slides that were presented are attached to this email. If you were unable to attend the meeting, or you enjoyed it so much you'd like to hear it again, you can access the recording at: Ex. 6 Personal Privacy (PP)
 - We are just now really getting started in the next phase of planning. The MIs have been working with their respective labs/centers to identify the correct people to include on the Research Area Coordination Teams (RACTs).

Ex. 5 Deliberative Process (DP)

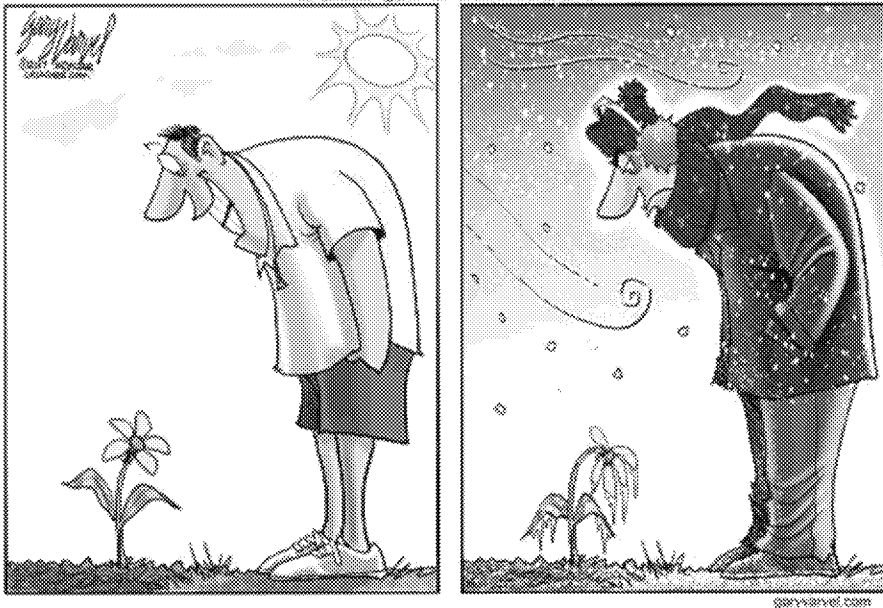

- For the most up to date information on StRAP planning, don't forget to check the SharePoint site: https://usepa.sharepoint.com/sites/ORD_Work/strap_development/SitePages/Home.aspx
- **Other news:**
 - Please see attachments for the following:
 - SHC weekly news and updates.
 - Information on an upcoming NIEHS Exposure Science and the Exposome Webinar.

If you would like any further information on any of these items, or if you have suggestions for other information that you'd like to receive from me, please let me know!

Enjoy the weekend,

-Jennifer
